FPMMA endorses Anna Rohrbough for Folsom City Council District 5

The Folsom Police Middle Management Association is proud to endorse Anna Rohrbough's candidacy for Folsom City Council, District 5, in 2022.

As a city council member in her former Washington State, Anna's record of service and commitment to the citizens there is beyond reproach. Today, her genuine care for the City of Folsom and our future success demonstrates the kind of leader Anna will be for our community. Anna's dedication to a government that is responsive to the desires of its residents – and their prioritization of public safety – aligns with our vision for the future of Folsom.

We know Anna has what it takes to balance fiscal conservation with the needs of a growing city – challenges Folsom faces now as we expand city services to keep up with rapid population growth. We believe Anna understands these concerns, both from our residents and our organization, and she possesses the knowledge and commitment to lead Folsom in the right direction, now and into the future.

We encourage you to vote for Anna Rohrbough for Folsom City Council, District 5, **on Tuesday, November 8th.**

Sincerely,
