

River District

The riverfront areas of Folsom are great assets that are currently underutilized. While they offer recreational opportunities for Folsom residents, access to the river is limited. Folsom has the opportunity to make the river a more integral part of the community fabric by turning its attention to the river and increasing access. The General Plan policies in this section call for the preparation of a River District Master Plan. Much of the land surrounding the river is controlled by the California State Parks Department, so increasing access to the river will require close coordination with the State. Policies in the Parks and Recreation Element provide further guidance on the enhancement of riverfront areas and increased access for recreation.

Goal LU 5.1

Support the appropriate enhancement of Folsom’s riverfront areas for current and future residents in order to increase public access, recreational opportunities, and economic development in consultation with federal, state, and regional public land management agencies.

LU 5.1.1 Vision for the River District

Engage the community, stakeholders, and federal, state, and regional land management agencies in establishing a vision for Folsom’s River District. **MPSP**

LU 5.1.2 River District Master Plan

Consider the preparation of a River District Master Plan for Folsom’s riverfront area, that is based on widespread community engagement as well as coordination with the U.S. Bureau of Reclamation, California Department of Parks and Recreation, and Sacramento County Regional Parks Department. **MPSP**

LU 5.1.3 Enhance Lake Natoma with Compatible Recreation Uses

Enhance the role of Lake Natoma as a place to recreate and an amenity for Folsom residents, and elevate Lake Natoma’s role in supporting local and regional business and commerce, including tourism, recreation and leisure, while maintaining compatibility with the Folsom Lake State Recreation Area General Plan. Invest in strategically-located sites along the length of Lake Natoma for a diverse mix of passive and active recreation and tourism activities that are compatible with nearby land uses, historically and culturally important sites, significant habitat areas, restoration sites, and native fish and wildlife usage. **MPSP**

LU 5.1.4 Honor Folsom’s Heritage

The River District Master Plan should include a means of honoring and interpreting Folsom’s heritage within the Historic District. **MPSP**
